ABOUT ME

Motivated and detail-oriented Digital Marketing graduate with hands-on experience in SEO, Shopify Store Development, Social Media Marketing, and Meta Pixel setup through academic projects and self-learning. Passionate about creating effective digital strategies and eager to start a career through a professional internship where I can learn and contribute to business growth.

EDUCATION

2026	E-Commerce & Digital Marketing
Corvit System FSD	Completed professional training in E-Commerce and Digital Marketing with hands-on experience in Shopify store development, product listing, social media marketing, Meta Pixel integration, and basic SEO concepts through practical projects.
2019 - 2023	BS Computer Science
Government College University FSD	BS Computer Science graduate with a passion for technology and continuous learning. Seeking an opportunity to apply technical knowledge, develop practical skills, and grow in a professional environment.

PROJECTS

2026	Shopify E-Commerce Store
Corvit System FSD	Developed a complete Shopify e-commerce store from scratch, including theme customization, product listings, collections, navigation setup, and essential store pages. Integrated Meta Pixel and optimized the store for an improved user experience.
	Social Media Marketing Project
	Created social media content using Canva, planned content calendars, researched hashtags, and developed content strategies for Facebook and Instagram to improve audience engagement.
	SEO Project
	Practiced fundamental SEO techniques by conducting keyword research, creating meta titles and meta descriptions, and applying basic on-page SEO optimization to improve website visibility as part of course-based practical projects.

EXPERIENCE

2024 - 2025	Computer Teacher
The Royal School Gojra	Taught Computer Science to students while preparing lesson plans and classroom activities. Developed strong communication, classroom management, and problem-solving skills by engaging learning environment and supporting students' academic growth.
